

I promise that I will do my best

Point towards chest

promise

Start with pointer finger extended and fingertip touching chest near opposite shoulder. Draw a small cross.

try

Extend pointer finger upwards from fist, and hook sideways towards face. Slide pointer finger tip down the side of face.

my

Place fist, palm in, on chest.

best

Extend thumbs from fists. First hand is horizontal the other vertical, with thumb pointing upwards. Start with horizontal thumb a small distance behind other thumb. Move this hand forward so that it brushes across the top of the vertical thumb.

To be true to myself and develop my beliefs

develop

With fore fingers extended, one hand just behind the other, move both hands forward

follow

Hold both hands bent in front of you at sides, so that fingertips face each other. Simultaneously move both hands forward. (thumbs may be held up or in)

my

Place fist, palm in, on chest.

belief

Hold both hands flat, fingertips upright, palms together in front of you and tilt hands downwards twice.

To serve my community and Australia

help

With one hand flat, palm upwards and fingertips facing forward; hold other hand bent so that palms face each other and fingertips rest on the palm of first hand. Together, move hands forward in front of stomach

community

Start with first hand flat, palm out, fingertips upwards; and other hand bent, palm towards you and fingertips touching. Move hands from in front of first shoulder to other shoulder, rotating hands so that flat hand becomes bent and bent flat.

Australia

In front of sides, form a circle with middle finger and thumb on both hands, spread other fingers apart, palms face down. Move hands up, forward then downwards, flicking all fingers out spread in front of you.

And live by the Guide Law

follow

Hold both hands bent in front of you at sides, so that fingertips face each other. Simultaneously move both hands forward. (thumbs may be held up or in)

Girl Guide

Three fingered Girl Guide salute

way

With pointer, middle and ring fingers pointing forward (slightly downwards), thumbs holding little fingers to palms, hands in front of side at chest height and palms facing each other; move hands forward and down in an arc.
